MINING CONGRESS JOURNAL

COAL

Adherence to Constitution Will Solve Coal Problem—Phil M. Penna.... 365
Alabama Coal Lease..... 213
Anthracite Freights..... 454
Carbonization Seen as Aid to Fuel Increase 101
Coal and Coke Costs..... 102
Coal Commission's Report on Bituminous Coal..... 357
Coal Commission Shuns Mediation.. 23
Coal Exchanges Proposed..... 432
Coal Ills Diagnosed by Many Delegates 363
Coal in Storage to Be Financed under Government Authority..... 454
Coal Investigation in Advanced Phase 151
Coal Mine Disasters Are Studied... 26
Coal Mining Course..... 202
Coal Operators Name Most Valued Books 156
Coal Problem Simplified, The—George H. Cushing..... 403
Coal Commission Takes on New Life 110
Coal Report Represents Avalanche of Data..... 224
Coal Report Soon to Be Framed.... 190
Coal Storage Urged by Hoover..... 237
Coal's Labor Forecast—George H. Cushing 9
Coal, the Battleground—George H. Cushing 80
Congress Acts to Continue Coal Investigations 75
Essence of the Anthracite Wage Dispute, The..... 264
Export Coal Trade Is Reviewed..... 112
Federal Coal Land Leasing Increases 164
Foreign Coal and Oil Data in Commerce Reports..... 275
Fuels Are Compared for Heat Values 33
Growing Impasse in Coal, The—George H. Cushing..... 453
Industrial Issues in the Coal Field—George H. Cushing..... 367
Major Coal Studies Bulletined..... 114
Major Problem of Coal—J. C. Brydon 363
Meeting a Crisis in the Coal Industry—John H. Jones..... 314
One Important Month in History of Coal—George H. Cushing..... 237
One Way to Cut Coal Prices..... 241
Our Coal Labor Problem—George H. Cushing 113
Outlines Views on Coal Situation... 137
Present Status of the Coal Industry, The—George H. Cushing..... 311
Public Land Coal Output Increases.. 236
Scotching the Coal Labor Dispute—George H. Cushing..... 233
See Storage as Coal's Stabilizer.... 163
Summary of the Anthracite Report, A..... 263
Vital Issue in the Coal Industry, The—John C. Brydon..... 294

World Waste and World Misery.... 70

GENERAL

Alaska Water Power..... 394
Alaskan Chapter Elects New Officers 18
Alaska's Liberation Is Aim of Crusade—By Ira L. Smith..... 225
Alaska's Mining in 1922 Is Reviewed 27
Alaska's Needs Outlined..... 465
Annual Meeting Arizona Chapter.. 446
Argonaut Fire Origin Still Unknown 22
Arizona Chapter Meets— Selects Officers 33
Attack on Federal Trade Body Fails 66
Bilharz, Oscar, Dies..... 101
Brass Tack Program for Convention 59
Burton Bunch Resigns..... 116
Bureau of Mines Report of High Value 14
Bureau of Standards in War on Waste 17
California Chapter Meets..... 446
Colorado Mining Comes Back—By George H. Stahl..... 382
Colorado Mining Men to Discuss Issues 20
Colorado Power Development..... 380

Colorado's Blue-Sky Law Attacks Interest 241
Congress and a Department of Mines 393
Congress Session..... 380
Convention of the American Mining Congress 297
Convention to Frame Sound Policies. 165
Coolidge, Calvin..... 335
Coordination Is Planned..... 178
Cost Data Reports..... 412
Cost Data Right Denied by Court.. 114
Current Government Reports, 168, 214 and..... 251
Cut Public Expenditures, Urges President 238
Dialogue, A—An Appreciation of Dr. Work..... 263
Dimming Majesty with Burlesque.. 167
Equipment Exports Significant in Volume 24
Explosives Bulletin Available..... 251
Fall's Work Marked by Productiveness 79
Fay Resigns..... 438
Federal Blue Sky Proposals Lose Strength 7
Federal Experts Review Mining Conditions 53
Federal Miners' Law Is German Plan 224
Federal Reorganization Is Far Distant 84
Federal Reports Outline Work for Industry 13
Flexible Tariff Policy Is Outlined... 152
Girand Claim Draws Colorado Action 48
Girand Fower Application Is Sidetracked 234
Government Control Movement Given Heavy Blow..... 223
Grand Canyon Survey Discloses Vast Power Resources..... 460
Greetings to Annual Convention—By Hon. Calvin Coolidge, President the United States..... 368
Groundwork of Discussion at Milwaukee, The 292
High Wages Cause Over-manning.. 240
Hydraulic Mining Report Issued... 246
In Washington Town—By Ira L. Smith 89, 123, 163, 209
Increased Leasing Work Brings Changes 133
Industrial Notes 101, 142, 251, 380
Inexorable Law and Labor, The—By George H. Cushing..... 157
Information Service 360
Interior Department Funds Before Congress 23
International Tribunal for Industry. 23
Investigation of Mine Surveys Proposed 232
Joint Conservation Program—By Hon. Hubert Work, Secretary of Interior 369
Land Office Decision in New Volume 74
Law Revision Opinions Focusing Closely 74
Lignite Studies Brought to Close... 25
Liquid Oxygen Study is Summarized 236
Long-Pending Claims to be Cleared. 168
Losses Shown by Treasury Statistics 443
Makes Tour of Mining Districts... 198
Manufacture of Fuel Shows an Increase 101
Measures Set for Trespass Damages 170
Metal Experts Added to Tariff Body 17
Metallurgist Heads Standards Bureau 159
Milwaukee Famous for its Manufacturing and Hospitality 295
Mine Explosives Statistics 236
Mine Labor Situation Reviewed.... 201
Mine Law Measure to be Amended.. 18
Mine Rescue Standards Outlined... 250
Mine Safety Work 462
Mineral Royalties 410
Minerals Separation Arguments Concluded 107
Minerals Separations Brief Filed... 12
Minerals Separation Case is Dismissed 155
Miners, Tariff and Boll Weevils.... 78
Mining Bureau Aids in Movement.. 136
Mining Industry's Future Analyzed—By J. F. Callbreath..... 206
Month's News Brought Under Review, A 260
Moore Resigns, Dr..... 227
Muscle Shoals—The Sale of the Gorgas Plant—By Hon. George W. Norris 439
Muscle Shoals Situation and the Sale of the Gorgas Plant—Manufacturer's Record..... 440
National Exposition of Mines and Equipment, The 375
National Legislation 34, 62, 96, 138
Nationalization Proposals Presented by Miners 233
Natural Resources Chief is Appointed 178
New Mexico Chapter Elects Officers 417
New Mint Director 435
New Principle in Flexible Coupling, A 438
News of the Month Brought Under Review 298
New Stations Head is Appointed... 213
Nicholson, Sen. Samuel D., Dies.... 108
Oddie, The Colorful Odyssey of.... 85
Paragraphs From the West..... 22
Patents, 38, 68, 102, 142, 171, 253, 286, 342 and..... 388
Peril of Deadly Gas Minimized..... 447
Perplexing Haze Hangs Over Colorado River 11
Personals 142
Personnel Changes in Bureau of Mines 201
Plan Seeks to Rout Woes of Business 150
Plans for Mining Convention Show Progress 241
Plans to Develop Sutro Tunnel..... 128
President Jennings Reviews Organization's Work 349
Prince Who Went into the Earth, The 87
Prospects for Legislation on Business, The—By E. H. Pullman.... 328
Putting Radio to Work in the Mines—Herbert E. Metcalf..... 51
Quicksilver Production Report..... 154
Reduction Mills Listed 18
Rescue Meet to be Held in Salt Lake City 110
Resolutions, 26th Annual Convention, The American Mining Congress 371
Retention of Assay Offices is Sought 12
Return of Investment and Speculation to Mining—By Kirby Thomas 86
Revenue Bureau Changes Cause Speculation 409
Review of the Legislative Outlook, A 411
Robinson, Judge Ira, Resigns Post.. 155
Safety Work Shows Progress 250
Science Gains in Attack on Mining Problems 92
Sees Brighter Future for Colorado Mines 22
Shortage of Miners Remains Acute. 235
Sixty-Eighth Congress, The..... 448
Sixty-Seventh Congress Comes to Timely End 73
Statement of Ownership..... 142
Storage Battery Locomotives..... 438
Strike Duty of Troops is Reviewed.. 25
Study of Explosives 201
Substitute for Mules Will Win Prize 246
Success Assured for Milwaukee Exposition—By John H. Miller..... 95
Successful Furnace Test Made..... 236
Superheated Steam Shovels..... 466
Supreme Court Acts on Mining Cases 202
Supreme Court Rules on Natural Resources 223
Taking a Look into the Legislative Future 243
Teaching Mexican Miners Axioms of Safety 234
Topographic Mapping Work Suffers. 23
Trade Issues Draws Another Decision 246
Trade Restraint is Boomerang, Hoover shows 21
Utah Chapter Elects New Officers.. 114
Utah Enacts "Right to Work" Theory 150
Utah Man Favored 412
Value of Improving Mine Ventilation, The—By Carl H. Trik..... 124
War Department Studies Mining Industry 250
War Minerals Claims Decisions, 18, 50, 76, 136, 170, 211, 222 and..... 402
War Minerals Administration Changes 192
Waste Fuel Study is Made..... 59
Water-Power Sites to be Surveyed.. 227
Watson, Senator James E., Character Study of—By Ira L. Smith. 57
Western Division in Annual Meeting 154
Western Operators Outline Policies. 220
Winslow, Samuel E., Character Study of—By Ira L. Smith..... 31
Work, Hubert, is New Interior Chief 76

Oil Shale—A Comprehensive Survey—By Victor C. Alderson..... 383
Oil Shale Industry's Future, The... 171
Oil Shale Bibliography, 37, 60, 94, 122, 202, 252, 385, 419
Oil Shale Claims..... 438
Oil Shale Notes.....171, 202, 252
Oil Specifications Approved..... 101
Oil Stimulation on Indian Lands.... 102
Oil Well Pollution..... 404
Our Oil Shale Industry—By Hon. Lawrence C. Phipps..... 405
Possibilities for Immediate Oil Shale Development—By J. H. Ginet.... 463
Practical Problems in Extracting Oil from Shale..... 331
Review of Oil Shale Developments—By Dr. Victor C. Alderson..... 62

STANDARDIZATION

Bureau of Standards Performs Yeoman Service 137
Decay of Timbers to Be Fought.... 160
Deep Mine Ventilation Is Studied.. 237
Drilling Machines and Drill Steel—By Ralph A. Scott..... 278
Formulation and Adoption of Industrial Standards—By Col. Warren R. Roberts 115
Future of the Standardization Movement, The—By Wm. B. Daly..... 126
How the "Hoover Process" Reduces Mining Costs—By Ray M. Hudson 129
Is Standardization Possible?—By C. H. Mathews..... 131
Mechanical Coal Loaders from the Engineer's Viewpoint—By Newell D. Alford..... 284
Mine Timbering Costs Increasing.. 420
Mining Standards Work Shows Gain 170
National Mining Standards Recommended 377
Notes on Mine Air Conditioning—By Martin J. Lide..... 397
Practical Problems of Standardization for the Metal Mining Industry—By Charles A. Mitke..... 117
Progress of Standardization, The... 111
Progress of Standardization in United States—By Col. Warren R. Roberts.....322-362
Progress of Standardization in the United States (Part II)—By Col. Warren R. Roberts..... 414
Reports on Illinois Mine Timbers.. 168
Reversibility of Air Currents for Metal Mines—By D. Harrington. 316
Reversibility of Air Currents for Metal Mines—By Charles A. Mitke 319
Scraper Mining Practice—By John H. East, Jr..... 455
Simplification Opportunities Reported 227
Standardization Discussion..... 247
Standardization of Metal Mine Ventilation—By E. D. Williams..... 407
Standardization of Mining and Loading Equipment, The—By William Whaley..... 278
Standardization of Mining Excavating Equipment—By T. A. Snyder. 306
Standardization Put to Test Pays Dividends—By J. H. Edward.... 307
Standardizing Metal Mine Fire Equipment—By William Conibear 129
Steam Shovel Standardization—By Robert E. Tally..... 381
Tests Show Acid Water Effect on Metals 164
To Discuss Mine Drainage..... 152
Tractor Hauls Ore Efficiently..... 241
Underground Haulage—By T. C. Baker 280
Underground Fower Transmission—By Carl Lee and H. M. Warren... 379
Value of Standardization in Mining, The—By Lucien Eaton..... 134

TAX

Authority Interprets Tax Decisions. 91
Changes Within Tax Bureau Unlikely 150
Depletion Ruling..... 234
How Uncle Sam Figures Operators' Taxes 19
Internal Revenue Bureau Sees Changes 58
Many Problems Face Tax Committee 162
Metal Mining Properties to be Revalued 178
Mine Taxation Conference Program Outlined 276
New Policies in Internal Revenue Organization 277
New Tax Decision Hits Mining.... 214
Revenue Bills to Get in Limelight.. 74
Revenue Proposals Are Shelved.... 48
Secretary Mellon Urges Reduction in Taxes 429
Tax Administration Troubles Discussed 382
Tax Board Feels Weight of Resources Work 17
Tax Conference Considers Many Problems 348
Tax Officials Expect to Clear Away Old Cases—By McK. W. Kriegh.. 231
